

Puppy Application

Thank you for your interest in our English Mastiffs. Here at Hill & Vale we are passionate about properly placing our puppies in the best homes possible. We ask all prospective puppy owners to fill this application out so we can get to know you! Our puppies are carefully evaluated to ensure their personalities will be compatible with their new families. Our biggest hope is for you to be educated about this breed before deciding. We rely on these applications to confidently provide the right families for our dogs. Please understand this application does not guarantee you will be approved for a puppy, but is the first step in our process.

1. Have you ever had a dog? If so, what kind?
2. Have you educated yourself with this breed and their requirements?
3. Why do you think the English mastiff is the breed for you?
4. Do you currently have any pets? Please list what kind, age, gender (spayed/neutered)?
5. Do you rent or own? If you rent, a written approval is needed from your landlord approving that a giant breed may live with you. Is that something you can get?
6. Describe your living environment such as location, house size, yard etc.
7. Is everyone that you live with onboard with owning an English Mastiff?

8. How many people are in your house? What are the ages of these people?
9. Have you ever surrendered a pet? If so, please explain?
10. Do you know what a Velcro Dog is?
11. What kind of work do you do? Can you provide adequate food and care for this giant breed?
12. If you travel for work or leisure, who will care for your dog?
13. Do you agree that English Mastiffs should live in your house and would not do good as an outside dog?
14. Will you invest in or teach basic obedience training?
15. Are you aware puppies go through a “fear period” which is a natural time of cautiousness they grow out of with love and proper socialization?
16. Will you kennel train?
17. Who is your veterinarian? If you don’t have one who would become yours?
18. Will you spay/neuter your dog when they are old enough?

19. How would you describe your personality?

20. How do you keep your house? Clean freak, lived in but clean or always a mess?

21. If life circumstances change (health, job, etc.) what will you do with your dog?
Check all that apply to you.
